---

<sup>1</sup> The term Cargo Claimants is used to specifically identify and claim against any and all “claimants” that have filed, or will file, a claim in the instant proceeding, except Deltech, that were the producers, manufacturers, shippers, NVOCC’s, consignees or otherwise the responsible party for cargo stored in and about Holds 4 and 5 of the Vessel.

4. At all relevant times mentioned hereinafter, Petitioner NSB was and now is a corporation duly organized and existing under and by virtue of the laws of Germany with an office and place of business c/o NSB USA, 19059 Greeno Rd., Hwy. 98, Fairhope, Alabama 36532, and was engaged in business as a common carrier of merchandise by water for hire, and owned, operated, managed, chartered or controlled the Vessel, which operates in regularly scheduled liner service between ports of the United States and Europe.

9. All claims against Stolt may be subject to arbitration pursuant to Stolt's General Terms and Conditions dated August 2011, if the General Terms and Conditions apply, and nothing herein shall be deemed a waiver of Deltech's right to arbitrate its claims against Stolt.

### **FACTS**

10. Deltech Corporation and/or Deltech Europe Ltd. were the shippers, consignees or owners of the goods shipped aboard the Vessel in containers UTCU459701-3, UTCU461521-0 and UTCU473373-7 pursuant to, *inter alia*, Stolt bill(s) of lading 18314233312 and others, and MSC bills of lading MSCUOE640393, MSCUOE640450 and MSCUOE640351 and were the shippers, consignees or owners of the goods shipped aboard the Vessel in containers GESU801685-7 GESU802272-0 pursuant to Newport bills of lading 56190594 and 56190604 and MSC bills of lading MSCUOE641037 and MSCUOE641078.

11. On or about July 14, 2012, a fire and explosion occurred aboard the Vessel. The crew evacuated the Vessel in the Atlantic Ocean approximately 1,000 nautical miles from Land's End, England (hereinafter the "Casualty").

12. As a result of the Casualty, several crew members were allegedly injured; three crew members died; the Vessel suffered damage; and, many cargoes, including Deltech's, were damaged and/or lost.

13. On or about July 17, 2012, salvors reached the Vessel. General Average was declared on or about August 8, 2012.

14. Conti has asserted that it is entitled to recover from Deltech their proportionate share(s) of alleged General Average expenses, and has sought a declaratory judgment that it is entitled to General Average contributions from Deltech. For the reasons stated herein below Deltech denies any allegation that they are liable to contribute in General Average.

15. On or about September 9, 2012, the vessel arrived and was re-delivered by salvors to Conti and NSB at Wilhelmshaven, Germany, where certain cargo was discharged and the investigation into the cause of the Casualty began.

16. At present, the Vessel is in Romania awaiting further investigations, inspections and repairs.

17. The casualty, losses, damages, injuries, and destruction resulting there from were not caused or contributed to by any acts or omissions of Deltech Corporation, but rather, were caused or contributed to by want of care, design, neglect, fault and privity on the part of the Vessel and those in charge of her, including Conti, NSB, MSC, Stolt and Newport.

18. Further, based on the current evidence, it is believed that certain cargoes, not those of Deltech, which were produced, shipped, owned, sold, and/or purchased by Cargo Claimants, caused or contributed to the Casualty that occurred on or about July 14, 2012.

19. The casualty, losses, damages, injuries, and destruction resulting therefrom, for which counterclaims and cross claims have been or may be made against Deltech, and all other damages in any manner arising out of the Casualty, were occasioned and incurred, in whole, or in part, by the acts of Conti, NSB, MSC, Stolt, Newport and/or Cargo Claimants.

**AS AND FOR A FIRST COUNTERCLAIM  
AGAINST CONTI AND NSB**

20. On or about the dates and at the ports of shipment stated in Exhibit B, there was delivered to the Vessel, Conti, and NSB shipments described in Exhibit B, which the Vessel, Conti, and NSB received, accepted and agreed to transport to certain ports of destination identified in Exhibit A.

21. The Casualty was not caused or contributed to by any fault or neglect on the part of Deltech, but was caused in whole, or in part, by the Vessel, Conti, and NSB in failing to properly care for and transport cargoes stowed aboard the Vessel.

22. At all material times, Conti and NSB failed to exercise due diligence to make the Vessel seaworthy, and at the material time the Vessel was unseaworthy, and/or the losses damages and expenses suffered by the parties herein were caused by the design, neglect, fault and privity of the Vessel, Conti, and NSB or other persons or entities for whose actions or omissions the Vessel, Conti and NSB were responsible.

23. The circumstances giving rise to, and the events in the aftermath of, the Casualty that is the subject of this action, and the alleged incurrence of losses, damages and expenses by Conti and NSB, do not give rise to a valid invocation of the principles of General Average.

24. The Casualty was due to the want of care, design, neglect, fault, privity, negligence, fault, lack of care, gross negligence, willful, wanton, and reckless misconduct of Conti and NSB. Said conduct, fault, lack of care, gross negligence, willful, wanton, and reckless misconduct, includes, but is not limited to: (i) the failure to maintain the Vessel in a seaworthy condition; (ii) the failure to maintain the Vessel's holds free and clear of fire hazards; and, (iii) the improper loading of dangerous cargoes below deck contrary to specific instruction, all of which were known to the Vessel, Conti, and NSB prior to and at the time of the Casualty and were at all times within the privity and knowledge of Conti and NSB.

**AS AND FOR A SECOND COUNTERCLAIM AGAINST CONTI AND NSB AND A  
FIRST CROSSCLAIM AGAINST MSC, STOLT AND CARGO CLAIMANTS -  
INDEMNITY and/or CONTRIBUTION**

25. Deltech reiterates, repeats and realleges the foregoing paragraphs numbered 1 through 24, inclusive, with the same force and effect as if fully set forth herein.

26. The Casualty aboard the Vessel was due to the wrongful acts or omissions, including breach of contract, breach of express or implied warranty, etc., or other misconduct or fault of CONTI, NSB, MSC, Stolt and/or Cargo Claimants.

27. The Casualty aboard the Vessel was not caused or contributed to by any act, omission, fault or neglect on the part of Deltech, its agents, servants, or employees.

28. By reason of the Casualty aboard the Vessel, Deltech has suffered damages and exposure to third-party claims, including damage to the Vessel, cargo, property, salvage claims, wrongful death and survivorship claims; General Average expenses; and claims for indemnity and contribution from other parties to this lawsuit, in an estimated aggregate amount in excess of US \$100 million.

29. The Casualty and all of Deltech's damages and losses as aforesaid are directly attributable to and caused by the aforesaid wrongful acts or omissions or other misconduct of Conti, NSB, Cargo Claimants, MSC, and/or Stolt and/or their agents, without any fault of Deltech or its agents contributing thereto, and, therefore, Conti, NSB, Cargo Claimants, MSC and Stolt should be held solely and/or jointly liable to Deltech for all liability, losses, and damages arising therefrom, including legal fees and disbursements incurred in defense of third-party claims.

30. In the event that Deltech are nevertheless held liable to any party to this action, or any other party to any other proceeding in the United States or abroad arising out of or relating to the subject casualty, said liability being expressly denied by Deltech, then such liability derives in whole, or in part, from the aforesaid wrongful acts or omissions or other misconduct of Conti, NSB, Cargo Claimants, MSC and/or Stolt, or their officers, agents, servants, and employees and, therefore, Deltech should be granted full recovery over and against, and be indemnified by, or

secure contribution from, Conti, NSB, Cargo Claimants, MSC and/or Stolt for all sums so recovered against Deltech, including attorneys' fees, expenses, interest, and costs.

**AS AND FOR A SECOND CROSSCLAIM  
AGAINST MSC – IMPROPER STOWAGE**

31. Deltech reiterates, repeats and realleges the foregoing paragraphs numbered 1 through 29, inclusive, with the same force and effect as if fully set forth herein.

32. On or about the dates and at the ports of shipment stated in Exhibit B, there was delivered to MSC shipments described in Exhibit B, which MSC received, accepted and agreed to transport to certain ports of destination identified in Exhibit A.

33. The Casualty was not caused or contributed to by any fault or neglect on the part of Deltech, but was caused in whole or in part by MSC's failure to properly care for and transport cargoes stowed aboard the Vessel.

34. The Casualty was due to the want of care, design, neglect, fault, privity, negligence, fault, lack of care, gross negligence, willful, wanton, and reckless misconduct of MSC. Said conduct includes, but is not limited to, the improper loading of dangerous cargos below deck contrary to specific instruction, which was known by MSC prior to and at the time of the Casualty.

**AS AND FOR A THIRD CROSSCLAIM  
AGAINST STOLT – IMPROPER STOWAGE**

35. Deltech reiterates, repeats and realleges the foregoing paragraphs numbered 1 through 33, inclusive, with the same force and effect as if fully set forth herein.

36. The Casualty was not caused or contributed to by any fault or neglect on the part of Deltech, but was caused in whole, or in part, by Stolt's failure to properly care for and transport Deltech's cargo.

37. The Casualty was due to the want of care, design, neglect, fault, privity, negligence, fault, lack of care, gross negligence, willful, wanton, and reckless misconduct of Stolt. Said conduct includes, but is not limited to, the improper loading of dangerous cargos below deck contrary to specific instruction, which was known by Stolt prior to and at the time of the Casualty.

**AS AND FOR A FOURTH CROSSLCLAIM  
AGAINST CARGO CLAIMANTS - FAILURE TO WARN**

38. Deltech reiterates, repeats and realleges the foregoing paragraphs numbered 1 through 36, inclusive, with the same force and effect as if fully set forth herein.

39. Cargo Claimants, as carriers, producers, shippers, owners, sellers and/or buyers, of certain dangerous cargos, were obligated to adequately warn and/or inform all interested parties as to the inherently dangerous nature of cargo being shipped.

40. Cargo Claimants failed to adequately warn and/or inform the carrier and/or its subcontractors, of the inherently dangerous, inflammable and/or explosive nature of certain cargo, thus making Cargo Claimants strictly liable for all of the damages and expenses, directly or indirectly, arising out of or resulting from such shipment pursuant to 46 U.S.C. §30701 note §4(6) (formerly, 46 U.S.C. § 1304(6)) and any and all other applicable law.

41. As a result of Cargo Claimants's failure to adequately warn and/or inform the carrier or its subcontractors, of the inherently dangerous nature of certain cargo, certain cargo was improperly stowed aboard the Vessel causing and contributing to the Casualty.

**AS AND FOR A FIFTH CROSS CLAIM  
AGAINST CARGO CLAIMANTS -  
NEGLIGENT FAILURE TO WARN**

42. Deltech reiterates, repeats and realleges the foregoing paragraphs numbered 1 through 40, inclusive, with the same force and effect as if fully set forth herein.

43. Cargo Claimants, as carriers, producers, shippers, owners, sellers and/or buyers, respectfully, were aware, or should have been aware, of the specific, inherent dangerous nature of certain cargo prior to delivery of the cargo to the Vessel.

44. Cargo Claimants had a duty to warn because the Vessel could not reasonably have known about the specific, inherent dangerous nature of certain cargo.

45. As a result of Cargo Claimant's failure to warn and/or inform of the specific, inherently dangerous nature of certain cargo, the cargo was improperly stowed resulting in the Casualty.

**AS AND FOR A SIXTH CROSS CLAIM  
AGAINST CARGO CLAIMANTS - FAILURE TO DISCLOSE**

46. Deltech reiterates, repeats and realleges the foregoing paragraphs numbered 1 through 44, inclusive, with the same force and effect as if fully set forth herein.

47. Cargo Claimants caused to be transported aboard the Vessel various dangerous cargos pursuant to contracts of carriage evidenced by certain bills of lading.

48. Pursuant to these bills of lading, Cargo Claimants were required to fully inform the Carrier in writing of the precise and accurate details of goods with a dangerous or hazardous nature and of any special precautions or handling required for such goods.

49. Cargo Claimants failed to adequately identify and inform of the inherently dangerous nature of cargo.

50. As a result of the Cargo Claimant's acts and or omissions, cargo was improperly cared for resulting in the Casualty.

**AS AND FOR A SEVENTH CROSS CLAIM  
AGAINST MSC AND STOLT – GENERAL NEGLIGENCE**

51. Deltech reiterates, repeats and realleges the foregoing paragraphs numbered 1 through 49, inclusive, with the same force and effect as if fully set forth herein.

52. Deltech denies that its cargo of DVB caused or contributed to the Casualty, but should it be concluded that the DVB caused or contributed to the Casualty, MSC and Stolt were obligated and duty-bound, regardless of knowledge, to insure that the cargo of DVB was properly stowed and stored at all times while said cargo was in their possession. Contrary to the handling instructions provided to Stolt and MSC, the DVB cargo was not stored or stowed in accordance with specific shipping instructions.

53. As a result of MSC and Stolt's failure to ensure that DVB was properly transported, stowed, and stored, MSC and Stolt's own negligent acts and/or omissions caused or contributed to a Casualty.

**AS AND FOR AN EIGHTH CROSSCLAIM AGAINST STOLT, MSC AND NEWPORT  
TANK CONTAINERS FOR BREACH OF CONTRACT**

54. Deltech reiterates, repeats and realleges the foregoing paragraphs numbered 1 through 52, inclusive, with the same force and effect as if fully set forth herein.

Deltech Corporation and/or Deltech Europe Ltd. were the shippers, consignees or owners of the goods shipped aboard the Vessel in containers UTCU459701-3, UTCU461521-0 and UTCU473373-7 pursuant to, *inter alia*, Stolt bill(s) of lading 18314233312 and others, and MSC bills of lading MSCUOE640393, MSCUOE640450 and MSCUOE640351 and were the shippers, consignees or owners of the goods shipped aboard the Vessel in containers GESU801685-7 GESU802272-0 pursuant to Newport bills of lading 56190594 and 56190604 and MSC bills of lading MSCUOE641037 and MSCUOE641078.

56. National Union Fire Insurance Company of Pittsburgh, PA, at all material times herein, was and is the insurer of Deltech's cargo and, as such, is subrogated to the rights Deltech.

57. Deltech's cargo was delivered to MSC, Stolt and Newport in actual good order and condition for transportation and delivery as contracted for in the bills of lading issued by MSC, Stolt and Newport.

58. Neither MSC, Stolt nor Newport delivered Deltech's cargo.

59. By reason of the foregoing, Deltech has suffered losses in the amount of \$448,306.23, as nearly as same can presently be computed, no part of which has been paid despite due demand.

60. By reason of the foregoing, Deltech is entitled to a judgment in their favor against MSC, Stolt and Newport, jointly and severally, in the sum of \$448,306.23, together with interest on that sum and their costs, and for indemnity for all such sums for which they may be found liable to contribute as General Average, and such other and further relief as to this Court shall appear just and proper in the premises.

3. Judgment be entered in favor of Deltech's as against Conti, NSB, MSC, Stolt and Cargo Claimants for contribution toward any losses or damages suffered by

Deltech as a result of any third-party claims recovered against Deltech, including legal fees and disbursements incurred in defense of third-party claims

4. Judgment be entered in Deltech's favor as against Conti, NSB, MSC, Stolt, Newport and Cargo Claimants in the sum of \$448,306.23, together with interest and costs;
5. Judgment be entered in Deltech's favor declaring that Deltech is not liable for the payment of any contribution in General Average or for any sum that may be stated by the General Average Adjuster in any General Average Adjustment that may eventually be issued in connection with this casualty; and,
6. Judgment be entered in favor of Deltech for such other and further relief as this Court deems just and proper.
